

An educational adventure awaits children at the **Forever Forest**, a national traveling exhibit that explores how we use the forest to **live, work, and play** in harmony. Exploring the realities of forests through play, families will learn about **sustainability, selective harvesting, transportation needs, and the every-day products** we use made from trees. This exhibit was developed by Omaha Children's Museum in collaboration with Union Pacific Railroad and the Hardwood Forest Foundation.

AUDIENCE

Children up to 5-12 years old
and their families

SIZE

2,500 - 3,000 square feet
